

Article 22.

Regional Solid Waste Management Authorities.

§ 153A-421. Definitions; applicability; creation of authorities.

(a) Unless a different meaning is required by the context, terms relating to the management of solid waste used in this Article have the same meaning as in G.S. 130A-2 and in G.S. 130A-290. As used in this Article, the term "solid waste" means nonhazardous solid waste, that is, solid waste as defined in G.S. 130A-290 but not including hazardous waste. In addition to the meaning set out in G.S. 130A-290, the term "unit of local government" means the Eastern Band of the Cherokee Indians in North Carolina.

(b) This Article shall not be construed to authorize any authority created pursuant to this Article to regulate or manage hazardous waste. An authority created under this Article may manage sludges, other than a sludge that is a hazardous waste, under rules of the Commission for Public Health and criteria established by the Department of Environmental Quality for the management of sludge.

(c) Any two or more units of local government may create a regional solid waste management authority by adopting substantially identical resolutions to that effect in accordance with the provisions of this Article. The resolutions creating a regional solid waste management authority and any amendments thereto are referred to in this Article as the "charter" of the regional solid waste management authority. Units of local government which participate in the creation of a regional solid waste management authority are referred to in this Article as "members".

(d) As used in G.S. 153A-427(a)(24), the term "transferred" means placed at or delivered to any (i) place normally and customarily used by the authority for the collection of solid waste, (ii) other place agreed upon by the generator or owner of recyclable materials and the authority, or (iii) facility owned, operated, or designated by the authority. (1989 (Reg. Sess., 1990), c. 888, s. 1; 1991, c. 580, s. 2; 1991 (Reg. Sess., 1992), c. 932, s. 4; c. 948, s. 1; 1997-443, s. 11A.123; 2007-182, s. 2; 2015-241, s. 14.30(u).)

§ 153A-422. Purposes of an authority.

The purpose of a regional solid waste management authority is to provide environmentally sound, cost effective management of solid waste, including storage, collection, transporting, separation, processing, recycling, and disposal of solid waste in order to protect the public health, safety, and welfare; enhance the environment for the people of this State; and recover resources and energy which have the potential for further use and to encourage, implement and promote the purposes set forth in Part 2A of Article 9 of Chapter 130A of the General Statutes. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-423. Membership; board; delegates.

(a) Each unit of local government initially adopting a resolution under G.S. 153A-421 shall become a member of the regional solid waste management authority. Thereafter, any unit of local government may join the authority by ratifying its charter and by being admitted by a unanimous vote of the existing members. All of the rights and privileges of membership in a regional solid waste management authority shall be exercised on behalf of the member units of local government by a board composed of delegates to the authority who shall be appointed by and shall serve at the pleasure of the governing boards of their respective units of local government. A vacancy on the

board shall be filled by appointment by the governing board of the unit of local government having the original appointment.

(b) Any delegate appointed by a member unit of local government to an authority created pursuant to this Article who is a county commissioner or city or town alderman or commissioner serves on the board of the authority in an ex officio capacity and such service shall not constitute the holding of an office for the purpose of determining dual office holding under Section 9 of Article VI of the Constitution of North Carolina or of Article 1 of Chapter 128 of the General Statutes. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-424. Contents of charter.

(a) The charter of a regional solid waste management authority shall:

- (1) Specify the name of the authority;
- (2) Establish the powers, duties and functions that the authority may exercise and perform;
- (3) Establish the number of delegates to represent the member units of local government and prescribe the compensation and allowances, if any, to be paid to delegates;
- (4) Set out the method of determining the financial support that will be given to the authority by each member unit of local government; and
- (5) Establish a method for amending the charter, and for dissolving the authority and liquidating its assets and liabilities.

(b) The charter of a regional solid waste management authority may, but need not, contain rules for the conduct of authority business and any other matter pertaining to the organization, powers, and functioning of the authority that the member units of local government deem appropriate. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-425. Organization of authorities.

The governing board of a regional solid waste management authority shall hold an initial organizational meeting at such time and place as is agreed upon by its member units of local government and shall elect a chairman and any other officers that the charter may specify or the delegates may deem advisable. The authority shall then adopt bylaws for the conduct of its business. All meetings of regional solid waste management authorities shall be subject to the provisions of Article 33C of Chapter 143 of the General Statutes. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-426. Withdrawal from an authority.

If the authority has no outstanding indebtedness, any member may withdraw from a regional solid waste management authority effective at the end of the current fiscal year by giving at least six months notice in writing to each of the other members. Withdrawal of a member shall not dissolve the authority if at least two members remain. (1989 (Reg. Sess., 1990), c. 888, s. 1.)

§ 153A-427. Powers of an authority.
